11) INTERNATIONAL JUDGING

In the continued pursuit of a wholly independent competition platform and unbiased judging process, the 2025/6 Australian Hair Fashion Awards creative categories will be judged by a select group of international leaders in Hair Fashion (with the exception of Global Hairdresser of the Year). The judging panel are regarded as international leaders and are carefully selected based on their individual and independent merits (often with multiple accolades of recognition and achievement).

Categories that require core competency appraisal i.e, Creative Colourist, are judged by leaders within each particular field, ensuring technical skill, application and execution are fully recognised and considered.

Photographic collection judging is completed anonymously with a zero tolerance for internal dialogue or score comparison during the judging process.

The recruitment of the AHFA judging panel is an intrinsic part of M Division's ongoing commitment to providing a fluid gateway for the Australia and New Zealand Hair Fashion industry onto the global stage. The judging process looks to position Australia and New Zealand as international industry leaders; connecting members of our national community with those deemed true innovators, authentic creatives, and world leading icons.

Judges are provided with category descriptions as the key criteria to base their decisions. (Please refer to each specific category description for an outline on criteria).
