Rules

1) Awards Period

The 2027 Australian Hair Fashion Awards (AHFA) Awards Periods are:

Premium, Creative, and Business Categories: 10 November 2025 - 18 January 2027

Product Categories: 18 September 2025 - 2 November 2026.

All images and/or video, and/or content submitted/referenced in your entry MUST have been created during the

above applicable Awards Period.

2) Residency And Practice Requirement

Entrants in Hair Shot of the Year must have lived and worked as hairdressers in Australia or New Zealand for at least 80% of the Awards Period. This ensures the award reflects contributions to the local hairdressing industry.

The Australian Hair Fashion Awards (AHFA) is honoured to welcome New Zealand Hairdressers to compete within the awards program. All categories, excluding Eastern Australian Hairdresser of the Year, Western/Central Australian Hairdresser of the Year, Australian Hairdresser of the Year, and Global Hairdresser of the Year, are open to New Zealand based hairdressers. There is a category created specifically for New Zealand based hairdressers to enter: New Zealand Hairdresser of the Year.

If you are unsure about whether you meet the criteria above - please enquire with the AHFA Awards team.

3) Visibility

Distinct from many other AHFA Creative Categories, entries for the Hair Shot of the Year Category can have been previously showcased in any format. This encompasses appearances in both consumer and trade publications, participation in other awards competitions, and exposure through personal or business platforms, including social media, public relations, marketing campaigns, or Advertisements. It is important to note, though, that the submitted photo must have been created during the AHFA Awards Period.

Images submitted into any other AHFA 2027 category CANNOT be resubmitted here; however, images taken from an AHFA 2027 shoot that are NOT included in the entrant's final collection CAN be entered into this category.

4) Image Specifications

DIGITAL SPECIFICATIONS:

Your collection must be submitted in A4 Portrait Format Only and provided in two digital image formats:

1 x High Res jpeg image (up to 20MB per image) 1 x Low Res jpeg image (up to 5MB per image)

Your image must be named using the following format: Highres_number e.g. highres_1 Lowres_number e.g. lowres_1

All digital images must be submitted through our Awards Platform, available via www.australianhairfashionawards.com

PRINTING AND MOUNTING SPECIFICATIONS:

In addition to your digital submission, you must send a printed and mounted A4 copy your entered photograph. The printed mounted photo is what the Australian judging panel will view in person at the Live Gallery Judging Day:

Print: professional quality, A4 size, one print per photograph in your entered collection.

Mount: each A4 print must be mounted - we recommend Core Flute (lightweight, sturdy, and ideal for gallery display).

5) Statutory Declaration

You will find this section as a simple online form pre-loaded on the Awards Platform (no printing required). As you go through the process of completing your entry, you will be directed to sign and submit it online. You will be confirming that all work, details, and materials submitted as part of your entry are your original work and are true and accurate, and meet the specific criteria for the category/s you are entering. It also includes your confirmation that you have the appropriate permissions from models, photographers and any other suppliers that have contributed to your entry.

Please note that your entry is not valid until this online form has been completed.

6) Hair Enhancement

Wigs, wefts, hairpieces, and hair extensions are permitted for use, however, please note that the judging criterion is heavily based on realistic presentation including believable formation and movement of the hair.

7) Collab Collection by Colourist and Stylist

A hairdresser may enter a collection where he/she has completed the cutting and styling, and another hairdresser has completed the colour work, however the colourist's name must be included within the credits (with the entrant only being the Cutter/Stylist). The colourist may enter the same collection into the AHFA Creative Colourist of the Year category, where styling credits are attributed to the other hairdresser (with the entrant only being the Colourist).

8) Before Shot Requirements

A before shot of the model featured within your entry must be available (if specifically requested by judges), in JPG or PNG format, to allow judges to observe the creation process. Smartphone shots are an acceptable format.

9) Judging Panel - Live Gallery in Sydney

This category will now be judged at the AHFA Live Gallery Judging Day in Sydney, by an Australian panel of the country's most respected hairdressers, each highly qualified with a strong understanding of the local creative market. Entrants send in printed and mounted collections, which are placed in a gallery for the panel to view in person, side by side, in real time. Judges score independently on this dedicated judging day, and all scores are entered through Award Force, a globally recognised, third-party awards software platform used by competitions across many industries internationally. No-one can override a judge's score once it has been entered in the platform, and the entrants in the live gallery photographic collection judging remain anonymous during the judging process.

10) Finalists Announcement

For details on the Finalist Announcement, please see information at: www.australianhairfashionawards.com

11) Releasing Your Work for Publication

Whilst we understand your entered photo may have been released prior to entry, we ask that you do not publicise that this is the photo you are specifically submitting as your AHFA Hair Shot choice until after the Finalist Announcement has been made.

A representation of all finalist collections will be published on once finalists are announced. Non-finalists' collections may also be published across MDivision digital platforms after the finalist announcement. www.thejournalmag.com

12) Requirements for Finalists and Winners

Across all internal and external communications, publicity, marketing, and PR, AHFA finalists and winners must include the year of their award alongside their title.

E.g. Winners name- 2027 AHFA Hair Shot of the Year.

This rule is set to respect all winners and finalists.

13) Copy Of Your Work

Please note that all collections and information submitted become property of The Australian Hair Fashion Awards / MDivision Pty Ltd. Entrants are advised to keep personal copies of their entries.

14) Entry Fees

Entry into the Hair Shot of the Year Category is $AUD175 (ex GST) per entry, which is payable upon successfully submitting your entry on the AHFA Awards Platform.

15) Entry Deadline

Please refer to www.australianhairfashionawards.com for the entry deadlines.

In rare cases, a deadline extension may be considered - please apply by emailing ahfa@mdivision.com.au with your reason for extension clearly stipulated in your email. Please note that extensions can be difficult to grant due to judging timelines already being confirmed with our busy Judging Panel. If an extension is possible, it is unlikely to be more than a few days extra.

The AHFA have the right to make adjustments to the above Rules and Criteria if they deem it to be in the best interest of entrants and the integrity that these Awards stand for. We will make all reasonable attempts to inform you of these changes.
