11) INTERNATIONAL JUDGING

In the continued pursuit of a wholly independent competition platform and unbiased judging process, the 2024 Australian Hair Fashion Awards will be judged by a select group of international leaders in Hair Fashion. The judging panel will be carefully selected based on their individual and independent merits (often with multiple accolades of recognition and achievement), each delegate regarded as an international leader within the hair fashion sphere.

Categories that require core competency appraisal i.e., Creative Colourist, are judged by leaders within each particular field, ensuring technical skill, application and execution are fully recognised and considered.

Photographic collection judging is completed anonymously with a zero tolerance for internal dialogue during the judging process or score comparison.

The recruitment of the AHFA judging panel is an intrinsic part of M Division's ongoing commitment to providing a fluid gateway for the Australian and New Zealand's Hair Fashion industry onto the global stage. The very process of presentation looks to position Australia and New Zealand as international industry leaders; connecting members of our national community with those deemed true innovators, authentic inventors, and world leading icons.

Judges are provided with category descriptions as the key criteria to allocate scoring against (Please refer to each category description for an outline on criteria).
