# RULES

## 1) AWARDS PERIOD

The 2023 Australian Hair Fashion Awards (AHFA) Awards Period is between **12th August 2022 to 11th August 2023\***. All images and content submitted/referenced in the Creative, State, Business and Product Categories MUST have been created during the Awards Period.

**\*Note: This rule does not apply to AHFA Best New Packaging and Design**

## 2) NEW ZEALAND HAIRDRESSERS

The Australian Hair Fashion Awards (AHFA) is honoured to welcome New Zealand Hairdressers to compete within the awards program. There is a brand new category created specifically for New Zealand based hairdressers to enter: New Zealand Hairdresser of the Year. All categories, excluding State Group Categories and Australian Hairdresser of the Year, are open to New Zealand based hairdressers.

## 3) ORIGINALITY

Collections submitted for the Australian Hair Fashion Awards (AHFA) must NOT have been published in any prior format; this includes consumer or trade media, or via any personal or business platforms. Images submitted for the AHFA must be brand new and totally 'unseen' in the marketplace\*.

To be eligible for submission, collections submitted must NOT have appeared in any form of PR, marketing promotion or advertising. Additionally, collections submitted for the AHFA must not have appeared on any Social Media platforms - this includes behind-the-scenes images that allow the identification of a model/artist or style. Collections submitted for the AHFA must NOT have been submitted to any other local or international competition.

**\*Note: This rule does NOT apply to Hair Shot of the Year, Transformation Stylist of the Year & Editorial Stylist of the Year categories.**

## 4) DIGITAL SUBMISSIONS

All Creative, State, and Business Group Category submissions are digital only. Entrants are not required to print and submit their physical collection/s. **All** (including the Product Group Category) entries into the 2023 Australian Hair Fashion Awards must be submitted through our AHFA Awards Platform, via [www.australianhairfashionawards.com](http://www.australianhairfashionawards.com)

## 5) DIGITAL IMAGE SPECIFICATIONS

Your collection must be submitted in A4 Portrait Format Only and provided in two digital image formats:

6 x High Res jpeg images (up to 20MB per image)\*

6 x Low Res jpeg images (up to 1MB per image)\*

All digital images must be submitted through our AHFA Awards Platform, available via [www.australianhairfashionawards.com](http://www.australianhairfashionawards.com)

**\*Note: Image quantity variations exist for certain categories i.e., Hair Shot of the Year, Apprentice of the Year & Editorial Stylist of the Year. Please check the criteria for your category to confirm the number of images required to submit.**

All images must be named using the following format:

highres\_number e.g. highres\_1

lowres\_number e.g. lowres\_1

**Note: Do not forget to complete and submit all Supporting Documentation (i.e. release forms, stat decs) with your collection. Please refer to your Submission Checklist outlined in your category's criteria.**

## 6) BEFORE SHOT REQUIREMENTS

A before shot of each model featured within the collection must be available, if requested, in JPG or PNG format, to allow judges to observe the creation process. Smartphone shots are an acceptable format. This is a requirement for all categories, except for Hair Shot of the Year.

## 7) HAIR ENHANCEMENT

Wigs, wefts, hairpieces, and hair extensions are permitted for use, however, please note that the judging criterion is heavily based on realistic presentation including believable formation and movement of the hair.

## 8) COLLAB COLLECTION BY COLOURIST AND STYLIST

A hairdresser may enter a collection where he/she has completed the cutting and styling, and another hairdresser has completed the colour work, however the colourist's name must be included within the credits. The colourist may enter the same collection into the AHFA Creative Colourist of the Year category, where styling credits are attributed to the other hairdresser.

## 9) MODEL SPECIFICATION

You may use a combination of male and/or female models in your collection\*, however an individual model may only be used twice within the collection. Therefore, a minimum of three models must be used in your collection of six images.

**\*Note: The Apprentice of the Year Category is an exception to this rule. Given only three images are required to enter the category of Apprentice, three unique models must be used.**

## 10) INTERNATIONAL JUDGING

In the continued pursuit of a wholly independent competition platform and unbiased judging process, the 2023 Australian Hair Fashion Awards will be judged by a select group of international leaders in Hair Fashion. The judging panel will be carefully selected based on their individual and independent merits (often with multiple accolades of recognition and achievement), each delegate regarded as an international leader within the hair fashion sphere.

Categories that require core competency appraisal i.e., Creative Colourist, are judged by leaders within each particular field, ensuring technical skill, application and execution are fully recognised and considered.

Photographic collection judging is completed anonymously with a zero tolerance for internal dialogue during the judging process or score comparison.

The recruitment of the AHFA judging panel is an intrinsic part of M Division's ongoing commitment to providing a fluid gateway for the Australian Hair Fashion industry onto the global stage. The very process of presentation looks to position Australia as international industry leaders; connecting members of our national community with those deemed true innovators, authentic inventors, and world leading icons.

Judges are provided with category descriptions as the key criteria to allocate scoring against (Please refer to each category description for an outline on criteria).
